

Do you require an Airtightness test?

To comply with Part L2A of the Building Regulations, Airtightness testing is now mandatory for all new buildings with a usable floor area greater than 500m².

Build Check are fully accredited and provide a professional testing and consultancy service including:

- On line quotation service - see our website
- Drawing review
- Pre-test site inspections
- CPD training seminars
- Site induction training/programme
- Infrared Thermography - identifying air leakage paths in buildings
- Continuity of Insulation surveys

Please contact us either at the address below or through our web site should any of these services be of interest to you.

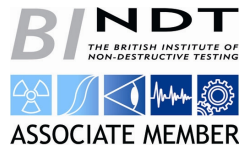

Build Check Ltd, Cressex Enterprise Centre, Lincoln Road, High Wycombe. Bucks. HP12 3RL
